		Approved:	July 2018
		Next Review:	July 2021

1. Overview

The District Council of Mount Remarkable recognises that Planning and management Review are fundamental to continuously Improving Management Systems, and an integral process in its officers meeting due diligence requirements.

As such, the District Council of Mount Remarkable is committed to implementing this process and assisting its officers to meet due diligence requirements through the development, utilisation and monitoring of a Work Health and Safety (WHS) Plan.

This procedure aims to assist organisations to:

- (a) Develop, approve and implement an effective WHS plan;
- (b) Identify appropriate programs and set performance measurements in line with plan development; and
- (c) Monitor, review and improve the WHS plan and management system performance

2. Core Components

The Core Components of the Planning and Program Development Procedure provide for:

- (a) The Identification of Planning criteria.
- (b) The Analysis and Prioritisation of WHS activities.
- (c) The Development of Programs with objectives, targets and performance indicators.
- (d) Consultation with Stakeholders.
- (e) The Allocation of Resources.
- (f) The Development of Implementation Plans.
- (g) The Development of Measures, Monitoring and Verification strategies.
- (h) The Development of Reporting arrangements.
- (i) Periodic Review.
- (j) Final Review.

4. Procedure

4.1. The Identification of Planning criteria (including analysis and prioritisation).

- 4.1.1. A WHS Plan should be developed in accordance with the District Council of Mount Remarkable Planning Cycle, which should occur at least every two years.
- 4.1.2. The District Council of Mount Remarkable Management Team should analyse the outcomes of the WHS Management Review Process (as set out in section 4.5) along with any other drivers (such as Legislative changes, or Industry Best Practice changes) to develop a Prioritised WHS Plan to focus System direction.
- 4.1.3. The WHS Plan aims to:
- (a) Identify Organisational WHS objectives and prioritise them.
 - (b) Address Legislative, Organisational, LGAWCS and PSSI requirements, including:
 - i. Programs for high risks and activities identified via LGAWCS Key Performance Indicator (KPI) Audits.
 - ii. Programs identified by District Council of Mount Remarkable processes, e.g. Audits, Management Team Reviews, WHS Committee or Performance Review Meetings or other WHS issues that require addressing, e.g. action list/register or general action plans.
 - iii. Inspection/Maintenance Plans or Calendar of WHS General Actions, e.g. workplace monitoring requirements, etc.
 - iv. Identifying performance reporting items, e.g. performance indicator tracking tools, internal audit tools, etc.
 - v. Identifying the persons/positions/departments responsible for undertaking the actions.
 - vi. Identifying targets dates for completion of activities.
 - (c) Set objectives, targets and performance indicators, where relevant, for identified programs. Performance Measurement should be considered for any programs that relate to specifically identified focus areas within the PSSI, for example:
 - i. Training.
 - ii. Critical Hazards.
 - iii. Workplace Change.
 - iv. Purchase, hire, lease of plant, equipment or substances.
 - v. Duty of Care for all persons in the workplace.
 - vi. Injury / illness and Incident Investigation.
 - vii. Document Control.
- 4.1.4. The Management Team should formally identify the processes to be used to measure, monitor, verify, evaluate and review the WHS Plan and System Performance.
- 4.1.5. Meeting records should record outcomes of discussions related to planning activities.

4.2. Consultation and Approval of the WHS Plan

- 4.2.1. Once a Draft WHS Plan has been developed, it should be presented for Consultation to the WHS Committee and/or other relevant Stakeholders in accordance with the Consultation and Communication Procedure. The Consultation Process must take place whilst the Plan is in the Draft stage and not after it has been formally approved.
- 4.2.2. The timeframe for the Consultation period should be defined and communicated to all relevant persons, by completing an implementation checklist.
- 4.2.3. The WHS Coordinator will facilitate feedback from the consultation process being presented at Management Team meetings. Feedback to be documented on the Document Checklist as minuted at meetings and workgroups.
- 4.2.4. The WHS Coordinator will make any necessary changes to the WHS plan as a result of Management Team directives arising from the consultation process.
- 4.2.5. Documented evidence of the consultation process must be retained. This will include (as relevant):
 - (a) WHS Committee Minutes.
 - (b) Department or other stakeholder meeting records where the plan has been presented for comment and feedback or other documented evidence.
 - (c) Management Meeting Minutes that demonstrate feedback was discussed.
 - (d) Management Meeting Minutes that demonstrate approval of the Final Plan.
- 4.2.6. The WHS Coordinator will make the approved Plan available on the Council Intranet, or through other processes make it available to Workers and relevant Stakeholders.

4.3. Allocation of Resources

- 4.3.1. The Management Team will approve the allocation of adequate resources to allow the achievement of the WHS Plan objectives.

4.4. Department Implements planned actions

- 4.4.1. The Management Team will oversee the Implementation of the WHS Plan. The WHS Coordinator will provide a quarterly report to the Management Team, WHS committee and other key stakeholders on Plan Progress and the Progress against documented objectives, targets and performance indicators. The report should identify any significant issues that require Corrective or Preventative Action.
- 4.4.2. The Management Team will analyse findings and direct action when required, to make sure that planned outcomes are achieved.
- 4.4.3. When Legislative, Organisational or other dynamic changes occur mid- way through a planning cycle, the WHS Action Plan will be reviewed, and, if necessary, altered to reflect changes as they occur.
- 4.4.4. Management Team Meeting Minutes must reflect the outcomes of the monitoring process and record their response.

4.5. Review

- 4.5.1. The Management Team will conduct the minimum of an Annual Review of WHS System performance against the District Council of Mount Remarkable WHS programs, objectives and performance indicators.

		Approved:	July 2018
		Next Review:	July 2021

- 4.5.2. The final analysis and review of the WHS System by the Management Team should occur at the end of the Planning Cycle and will consider the progress reports and outcomes of the monitoring process.
- 4.5.3. The Management Team review should determine the actual results achieved against what was planned, and findings should:
- (a) Analyse the level of achievement of documented objectives, targets and performance indicators. Evidence must be provided that demonstrates that analysis has occurred.
 - (b) Identify and evaluate areas of success as well as areas requiring Corrective and Preventative Action. Corrective Action Processes need to be documented in the Corrective Action System.
 - (c) Confirm the alterations made to the WHS System as a result of Legislative, Organisational and other relevant changes
 - (d) Set the direction and focus for future System activity, including measurement outcomes for the next period.
- 4.5.4. Meeting records must document the outcomes of the Management Review Process.

4.6. Consultation and Communication of Management Review findings

- 4.6.1. The WHS Committee and, where relevant, other key Stakeholders, will be consulted on the findings of the Management Review Process and should provide their responses to the Management Team.
- 4.6.2. The Management Team will review the WHS Committee and or other key Stakeholders' responses and determine any changes to the findings of the Review Process.
- 4.6.3. The Management Team must communicate key findings from the Management Review Process to Workers.

4.7. Monitor and Review Actions for effectiveness

- 4.7.1. The outcomes of the Management Review Process will provide the focus for the next Planning period.
- 4.7.2. The Planning and Program Development (Including Management Review) Procedure should be subject to Internal Audit, and the Audit findings should be reported as part of the ongoing Management Review Process.

5. Training

- 5.1. The District Council of Mount Remarkable Induction Process should include an overview of the WHS Management System.
- 5.2. Managers, Supervisors and the WHS Committee should be trained in the requirements of the Performance Standards for Self Insurers.
- 5.3. The Management Team should be trained in their Roles and Responsibilities for WHS Planning, Monitoring and Review.

6. Records

The following records should be maintained

- 6.1. Records relating to the Evaluation of WHS Plans and Programs
- 6.2. Records relating to the Consultation Process
- 6.3. Approved Plans
