

On 1 October 2018, CoR laws were amended and regulations changed under the Heavy Vehicle National Law? Not sure if your business is compliant? Find out what you need to do and get practical tips and advice.

Council with the National Heavy Vehicle Regulator (NHVR) will provide a FREE and practical workshop for interested persons involved in the Transport Industry or Primary Production.

The workshop will assist you to understand your obligations and risks in the CoR chain, and help implement plans and checklists to reduce the risk to your business.

This program is the initiative of Council and made possible by support from the National Heavy Vehicle Regulator Heavy Vehicle Safety Initiative Program.

Contact Catherine at the Council Office on 8666 2014 to register or for more information.
